

ASSEMBLY BILL

No. 3041

Introduced by Assembly Member Pavley

February 24, 2006

An act to amend Section 22844 of the Government Code, relating to public employees' health benefits.

LEGISLATIVE COUNSEL'S DIGEST

AB 3041, as introduced, Pavley. Public employees' health benefits: peace officers.

The Public Employees' Medical and Hospital Care Act requires the Board of Administration of the Public Employees' Retirement System to approve health benefit plans for certain public employees and annuitants, and authorizes the board to contract with carriers offering health benefit plans. The act prohibits employees, annuitants, and family members enrolled in a prescription drug plan under Part D of Medicare from enrolling in a board-approved health benefit plan, unless enrolled in an approved Medicare Advantage plan.

This bill would allow an individual who is enrolled in a specified health benefit plan offered by the Peace Officers Research Association of California to also enroll in a prescription drug plan under Part D of Medicare.

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.

The people of the State of California do enact as follows:

13 *Officers Research Association of California under this part.*

14 (c) This section does not apply to employees and family
